

PRICE LIST – VALID FROM 1. 3. 2026

AMBULANCE PRICE LIST

Email advice <i>(consultation for the general public and professionals)</i>	Free
Complete + examination <i>(each individual visit; includes clinical examination, ultrasound, urine and blood tests)</i>	1 000 CZK
Annual flat rate <i>(instead of paying for each visit, it is possible to pay an annual flat rate, valid for one year from payment, regardless of the number of examinations)</i>	3 200 CZK
Flexible urethroscopy <i>(painless endoscopic examination with a state-of-the-art new generation device)</i>	2 400 CZK
Nebida application <i>(drug price included)</i>	2 500 CZK
Application of Sustanon <i>(drug price included)</i>	300 CZK
Sampling, injections <i>(only blood sampling and injection applications at the client's request, except when indicated by a doctor)</i>	200 CZK
Treatment outside office hours until 10 p.m. <i>(Clients will be booked for an hour according to their wishes and the examination time will be strictly adhered to. The amount is added to the treatment rate.)</i>	1 500 CZK
Treatment outside office hours 10 p.m.–8 a.m. holidays <i>(Clients will be booked for an hour according to their wishes and the examination time will be strictly adhered to. The amount is added to the treatment rate.)</i>	2 500 CZK
Out-of-office treatment <i>(It is possible to perform basic examinations that do not require instrumentation, blood and urine samples, prescribe medications and consult. The place of consultation is determined by the client. The consultation is not time-limited and transportation costs within the Brno and Brno-venkov districts are included in the price.)</i>	4 500 CZK
